SUMMARY

A Moment in Time

Moments that once were...

Moments slipping away...

Unwritten Moments, waiting to unfold.

A moment of euphoria can lead to a moment of darkness. A moment of struggle ignites the spark from which a moment of growth begins. While it may seem like make or break, it unfailingly evolves into a fleeting moment in time. Each moment gracefully intertwines, flowing into the streams of the past, a tapestry woven to last. Years and days may fade away, but we remember moments.

This festive season at Oaga Art Resort **A Moment in Time** invites guests to pause and linger in the echoes of the past, celebrate the present and embrace the future.
