**2024 - 2025**

In a world where the hospitality industry’s tides ebb and flow, Oaga Art Resort, a self-made local brand of Maldives, boldly flung open its doors to the world in January 2023, daring to redefine the very essence of luxury. Through a CSR initiative under the slogan “Fannuverin Fathuruverinah” which loosely translates to “creatives for traveller”, Oaga kicked off Suvāsthi Gallery with the intention of creating a platform for local artists - a gallery celebrating local talents and flaunting this directly at the Maldivian gateway to the rest of the world; through our resorts. Suvāsthi Gallery by Oaga Art Resort is a dynamic platform that showcases Maldivian art to the world. This CSR program offers a unique revenue model for local artists, where each artist earns \$1 for every night a Veyoge Gallery Villa is occupied, with their artwork is on display. Oaga Art Resort, redefines luxury by seamlessly blending art, culture, and

hospitality. The resort features the largest art collection in the Maldives, with over 30 local artists contributing 150 captivating pieces across the Veyoge Gallery Pool Villas.

More than just a stay, Oaga Art Resort provides an immersive artistic experience, where island life and creativity intertwine. Guests can appreciate and purchase local artwork, contributing to the growth and recognition of Maldivian talent. This initiative not only supports artists financially but also allows them to connect with a global audience, embodying Oaga’s mission to promote art, culture, and community on an international stage.

# Suvāsthi GALLERY

/noun/: expression of happiness  
(ސުވާސްތީ ފަތުރުވެރިންނަށް)

Suvāsthi Gallery, by Oaga Art Resort, is an artistic space dedicated to showcasing passionate Maldivian talent to the world. Conceptualized under our Fannuverin Fathuruverinnah initiative, Suvāsthi Gallery invites you to explore curated collections and retail spaces that represent the true essence of Maldives.

In the ancient Maldivian language (boadha bas), “Suvāsthi” is a noun meaning “expression of happiness.” Like Oaga, Suvāsthi Gallery emerged from an intentional creative process rooted in rediscovering our heritage and understanding the essence of home. Inspired by Maldives’ rich history as a thriving ocean kingdom, Suvāsthi Gallery showcases the work of exceptionally talented artists at Oaga Art Resort.

Our 2024/2025 exhibition explores three distinct themes: Dreams, Intimate Reflections, and Sacred Realms. Each theme is brought to life across five Veyoge Gallery Pool Villas, featuring 10 captivating pieces in each villa. The exhibition draws inspiration from the ancient Maldivian folktale of Khalid and Sitti, whose love story resonates with dreams, introspection, and a connection to the sacred.

“The most exciting aspect of this exhibition is the inclusion of artists showcasing their work for the first time. The majority are emerging talents under the age of 25, demonstrating remarkable creativity and potential. Each year, we strive to include both emerging and established artists, celebrating the vibrant energy of the next generation.” – Nadee Rachee, Suvāsthi Gallery Curator.

## DREAMS

---

This body of work uncovers the realms of dreams and imagination, inviting artists to blur the lines between reality and fantasy, and to challenge perceptions of what exists and what is merely imagined. The curation focuses on folk tales, where artists have reimagined traditional stories through contemporary lenses.

Here, ancient myths collide with modernism, creating narratives that resonate across time and cultures. In another area, personal dreams take center stage. Through vivid photography, and visual arts, artists share glimpses of their subconscious worlds. These works invite introspection, encouraging viewers to reflect on their own dreams and the meanings they might hold.

Touching upon speculative fiction, artists push the boundaries of imagination even further. These artworks challenge viewers to consider what lies beyond the limits of human knowledge and to envision new possibilities for the future.
